

7 High Peak Crescent Springfield QLD

4  2  4 

All the space and comfort you could ever wish for is on offer with this gorgeous family home in Springfield. Ready and waiting for you to simply move in and relax, this four-bedroom, two-bathroom abode is sure to impress from the moment you pull into the driveway.

The light-filled, single-storey layout revolves around the open chef's kitchen with sweeping benchtops, a good-size pantry and quality appliances. A breakfast bar is ideal for relaxed dining plus the eager cook is also treated to views over the free-flowing family room and dining area.

A cosy slow combustion heater and split system air-conditioning promise year-round comfort and there are banks of sliding glass doors that lead to the covered patio.
